

“As an educator, I know that informal learning opportunities are critical to lasting education, and children’s museums actively motivate this type of learning. As a mom to three little ones, I know the positive impact children’s museums have on kids, families, and communities. I am fully committed to bringing kidSTREAM to Ventura County!”

**Adele Hermann Ph.D., Chair of Grants, Grantwriter
Parent, Educator, Researcher**

- Doctorate in social context and policy education, University of California, Santa Cruz
- Master of Arts in social context and policy education, University of California, Santa Cruz
- Master of Arts in educational policy analysis and evaluation, Stanford University
- Bachelor of Arts in sociology, minor in education, University of California, Santa Cruz
- Director at the Centers for Excellence for the South Coast Community College Districts throughout Southern California
- Instructor, grant writing, reporting and management at University of California, Santa Cruz

Adele brings her knowledge and experience as an educational researcher to this board. Her background in education, policy and evaluation and grant writing positions kidSTREAM for not only successful fundraising, but effective programming throughout exhibits and activities. In addition, Adele enjoys teaching, volunteering in the community, and above all, being a mom to three little ones who cannot wait to be regulars at kidSTREAM.
