

“I’m committed to kidSTREAM as a mother because I want to have a place where I can take my kids that enriches our experience together as a family, discovering new things and having adventures. I’m committed to kidSTREAM as an educator because I want our county to offer its children an accessible high-quality educational experience that inspires them to be lifelong learners.”

**Annie Ransom, Director, Programming Co-Chair
Parent, Educator, Science Coach**

- Bachelor of Science in biopsychology, University of California, Santa Barbara with minors in biochemistry and exercise science
- Leader, Ventura County STEMposium
- Teaching since 2005
- City of Camarillo Chamber of Commerce Teacher of the Month, October 2015
- STEM Radical - VC STEM’s highest honor for STEM advocacy in Ventura County

Annie is the science coach at University Preparation School. In this role, she works with teachers, students, and CSUCI faculty and students to impart best science practices in classrooms. In recent years, she has expanded to working with teachers county wide through programming with the Ventura County Office of Education, the VC STEM Network, CSUCI Teacher Education Program, and private consulting. In 2015 she helped develop and coordinate the VC STEMposium and is now the lead director.
