

“What began as a desire to expand our son’s learning experiences grew into a crusade to develop kidSTREAM as a resource for all children in the region. KidSTREAM will have a direct, positive impact by enhancing the education and socialization of children, fortifying families, and improving the quality of life in Ventura County for future generations.”

**Meryl Chase, Vice President, Finance
Parent, Business Owner, Community Advocate**

- Masters in Business Administration in finance and marketing, University of California, Los Angeles
- Bachelor of Arts in communications studies, University of California, Davis/
University of California, Los Angeles
