

Job Announcement

kidSTREAM Children's Museum is seeking our first **Director of Guest Experience** to help the museum open our doors to the children of our community. This full-time salaried position will work directly with the Executive Director and the Senior Staff to create a dynamic guest experience through our education and exhibit programming. With an estimated attendance of 150,000 per year, this is a **legacy project** and the successful candidate will lead efforts to write the museum's programs and oversee the fabrication of the museum's exhibits. With our hands-on focus on **Science, Technology, Reading, Engineering, the Arts, and Math**, the position is perfect for someone who is passionate about early childhood education.
